

## **EFFECTIVE SEMINAR AT GGIS**

Gyan Ganga International School started with six days back to back seminar for the teachers to develop various skills of the teachers and for the best utilization of their precious time. 12 teachers are allotted different topics to conduct the seminar. This seminar will consist of various sessions related to different topics and will be attended by 40 teachers for six days.

The first day of the seminar started with the remembrance of god Ganesha and goddess Saraswati. The guest for the same was the school Principal Dr. Rajesh Kumar Chandel.

The first day of the seminar was conducted by Ms. Manisha Kol and Mrs. Kamal Ambwani. In this seminar the topics discussed were related to the detail study about curriculum, lesson plan, evaluation and assessment. The chairperson and moderator for the first day workshop were Ms. Rupa Tiwari and Mrs. Monika Pandey.

The first day of the workshop proved to be a fruitful one as it threw light on preparation of curriculum syllabus and daily lesson planning as for the herbertian approach. The resource person helped the teachers in learning the minute problems and draw backs that one faces while planning framing and preparing the lesson plan. They also explain and interacted with the audience through no. of activities, worksheet and demonstration. The whole seminar was made more effective by PPT presentation.

The second phase of this effective workshop was about the techniques of assessment and evaluation. The second session was taken over by Mrs. Kamal Ambwani as a resource person. In this session teachers were made aware about the assessment and evaluation process that is required to highlight the performance of the child. No. of questions and queries raised by the teachers were solved and were given the satisfying answers and guided the way how the teachers can do the assessment and evaluation of their students in a proper and accurate manner. No. of methods and activities were also explain along with the duration of assessment and evaluation method was also explained. The topic was made interesting by projecting live examples and with the help of blue prints of tools and methods of assessing and evaluating.

The workshop was appreciated by each and every one as it was not only effective one but also knowledgeable and concept clearing one.

In the end speaking on the occasion school Principal Dr. Rajesh Kumar Chandel appreciated the efforts of the resource person and also encouraged the other teachers who will carrying forward this six day long orientation programme. He expressed his heartfelt thanks and congratulated the teachers for their hand work making the first day of this workshop cum seminar a success one.
