

CBSE HOLDS UP 3 DAYS MATER TRAINERS PROGRAM AT GYAN GANGA INTERNATIONAL SCHOOL

Gyan Ganga international School once again pioneered in the field of innovations and fulfilled the need of today's education system by holding 3 days training program in its premises in association with CoE Pune Region and JSSC.

The team of great scholars, learned trainers of CBSE came forward to escort this training program at GGIS. This training program was inaugurated on July 27, 2016 in the auditorium 'Pravaha' with the lighting of traditional Jyot ceremony and praising Goddess Saraswati the power of knowledge and wisdom. Hon'ble Chairperson of Gyan Ganga Group of Institution D.C. Jain, Director Dr. Nitin Jain, Venue Director & School Principal Dr. Rajesh Kumar Chandel, Deputy Director CBSE Ms. Arunima Majumdar, Resource Persons Ms. Mrinmayee and Ms. Madhulika Bhuptkar were present for this grant opening ceremony. These dignitaries fortified the inauguration function as they were also the resources persons for the same.

Speaking on the occasion Venue Director & School Principal Dr. Rajesh Kumar Chandel welcomed the guest, speakers and resource persons with the token of love and with his words in which he expressed the need of an hour and the importance of such training program. He also expressed his heartfelt thanks and gratitude to the delegates who were from all over the country. There were 85 Principals coordinators and senior teachers from 10 states who became integral part of this training program. He welcomed each one of them on behalf of Gyan Ganga Family, in his welcome note he also highlighted the main and foremost aim of organizing such training program. He introduced the flaws and drawbacks that the CCE is facing and the myths the people are having of this system. He summed up by promising and assuring all the delegates that they have come here like a ship that is sailing in the ocean of CCE without compass but here they will definitely find their right directions and will anchor on the shore of success.

The inaugural function was added up with the flavours of cultural programs such as welcome song and dances. Every one in the audience appreciated the presentation of the students. In the same sequence chairperson D.C. Jain also appreciated the

initiative taken by the JSSC & School Principal in this area. He welcomed all the luminaries and delegates from the core of his heart to this training program and declared the event open.

After the declaration of event open the Resource Persons Ms. Mrinmayee and Ms. Madhulika Bhuptkar from CBSE took over the stage and explained the further proceeding of the program. The first day of this training program was divided into two sessions which were as – first session dealt with the CCE meaning features and concept and the second session was about Formative Assessment its meaning tools and techniques. En number of activities and PPT made the session interesting and also helped the delegates to understand the topics minutely. The participants also cleared their doubts and asked en number of questions related to the topics.

The aim of this training program is to buildup new trainers and masters who can come forward and throw light on the issues related to CCE pattern and help the teachers, students and parents in understanding the system in a more crystal clear manner. The delegates from near about 10 states showed their interest and also made the first day of the program successful by participating in it enthusiastically.
