

Visit to an Disabled Children School

On 09th December 2016 another group of gyanties, students of Class-VII visited the school of disabled children. This trip was also organized under the social interaction educational trip.

More than 60 students of Class-VII along with their teachers got an opportunity to learn and understand the draw backs and difficulties that a child faces when he is disabled. The students of Gyan Ganga International School felt highly blessed when they saw these students. They shared their experience and also came to know how these students are learning and leading their life.

Cultural programmes were conduced to entertain these students and to bring new hope with a smile in their lives. Gyanties also distributed eatables such as fruits, biscuits etc. and some useable items among these students.

The trip of was organized under the great guidance of school Principal Dr. Rajesh Kumar Chandel. The main purpose of organizing this social interaction educational trip was to make the youth responsible and also to realize them the importance of god gifts.

The school Principal, Dr. Rajesh Kumar Chandel appreciated the team of teachers and students who visited the disabled children school. He also highlighted the importance of such social interaction education trips by saying that this will develop the hostilic development of the students.

Students and teachers who visited the disabled children school expressed their heartfelt gratitude towards the management and the school Principal.
