

STUDENTS OF GYAN GANGA SCHOOL VISITED PARLE G FACTORY

On 15/12/16 Thursday students of Gyan Ganga International School visited the Parle G factory. More than 50 students of classes 4th and 5th witnessed the working and distribution pattern of the Parle G products. This group of students were accompanied by their teachers and coordinators.

These students witnessed the complete process of the products such as their making, packing, processing and distribution methods. The students and teachers of Gyan Ganga were welcomed by Mr. Ajay Singh Thakur who escorted them to the auditorium where the small documentary film on Parle G products was shown. This documentary was also based on the manufacturing process and the short history of Parle G product.

The students and teachers who became the integral part of this social interaction educational trip were overwhelmed with the discussion and the knowledge they gained after their visit. They expressed their gratitude to the management and school principal Dr. Rajesh K. Chandel for providing them the platform where they not only learnt something but also enjoyed and had fun. On their return back to the school students were gifted with the packets of Parle G biscuits and chocolates.
