

## **JSSC WORKSHOP ON CHEMISTRY AT GGIS**

Gyan Ganga International School organized two days long workshop on 28<sup>th</sup> April 2017 at “Praavah” auditorium in the school campus which was organized in collaboration by Y. Hamied Inspirational Teacher Development Programme by RSC supported by association of Chemistry Teachers and ANCQ which was sponsored by JSSC. The Resource People for the same were Dr. Vimla Day and Dr. Brajesh Pare.

The workshop was organized with an objective of making the subject easy, simple and more assessable and interesting not only for students but also for teaching faculties. More than 50 teachers participated in the workshop.

Resource person dealt with all the crucial topics and principles related to the subject. They made the explanation more interesting by organizing various activities. The session were made more interesting by the participants by raising en-number of questions and queries. The resource person made the explanation of the topics easier by using everyday devices materials and resources. They also made the classroom teaching more effective by giving various techniques & performing the practical with low cost classroom devices.

Speaking on the occasion Dr. Rajesh Kumar Chandel, Principal of Gyan Ganga International School thanked Resource Persons Dr. Vimla Day & Dr. Brijesh Pare. He also extended his heartfelt thanks to all the teachers who were the incredible participants and had made the two days long workshop and a grand success. He also expressed his gratitude to the organizers, RSC & JSSC for planning and bringing out such activities which will not only help the teachers & students from time to time but also help in making the education more demonstrative and effective.

In the same sequence valedictory function was conducted for the dignitaries and felicitation was done of the resource persons by presenting a token of love and presented mementos.
