On 29th April 2017, Gyan Ganga International School organized a Felicitation Ceremony at “Parvaha” auditorium for the participants of Drawing and Painting Competition which was held during the Danik Bhaskar Trade Fair (from 10th April to 16th April).

The main aim of organizing this ceremony was to drag out and appreciate the participants and inspire them to learn and grow in their natural environment. Gyan Ganga always believes in the overall and holistic development of the child and also that every child has his /her own capabilities and interest. More than 700 students from all over the city participated in the competition. They explored their views, thoughts and incredible ideas on canvas with the help of colors and crayons.

The competition not only helped the students to drag out their hidden potentials and their creativity but also motivated them to express their imaginations.

The program me started in the auditorium with the arrivals of the participants and their parents. The felicitation ceremony was broadly divided in three segments- Primary, Middle and Secondary. Participants were honoured with Certificates, mementoes, and Trophies. The participants were overwhelmed with an announcement that those who grabbed the First,

Second and Third positions will be given special offers in Summer Camp.

Speaking on the occasion School Principal Dr. Rajesh K Chandel appreciated the participants and their parents for motivating and inspiring their children for such activities in this competitive world.
