

## **ISA ACTIVITY 'FESTIVALS OF INDIA'**

GYAN GANGA INTERNATIONAL SCHOOL conducted various activities under the ISA project for BRITISH COUNCIL CERTIFICATION on the topic 'Festivals in India', as India is considered to be the land of festivals and celebrations. The citizens of India follows number of religions, customs and traditions keeping in view the same all the students were divided in groups for celebrating various festivals.

Team of more than 100 students celebrated festivals in which they were dressed up in different festive attires. The teachers who are associated with activities briefed the students about the importance of these festivals and even the mythological stories associated with them. The students performed activities and celebrated the festivals with great pomp and joy.

The aims of organizing these activities were to make the young generation aware and concerned about the conservation of our tradition and customs for coming years. The activities were made more meaningful with the presentation of PPT related to various festivals celebrated across the country with their importance and reason of celebrating them. Students even clarified their doubts and raised question related to the topic.

In the same sequence speaking on the occasion school Principal appreciated the team of teachers and students who made the environment lively with celebrations of number of festivals. He also highlighted the importance of inculcating the culture and tradition among the upcoming generation.
