ANNUAL REPORT

ABOUT THE SCHOOL:

"There is no elevator to success you have to take the stairs".

Gyan Ganga International School is a day-cum-residential school situated near Bypass Junction, Bheraghat Road, Jabalpur, Madhya Pradesh state of India. This institute has completed its 20 years of journey and reached this pinnacle in time to announce the success stories we gathered. The teaching which taught us to become more effective and efficient has transformed us.

Gyan Ganga International School, Jabalpur is a prodigy of "Shri Vardhman VidyaVihar Education Academy", a chain of schools and professional colleges in Central India. The school started with few students but now it has grown to a Senior Secondary School. This institute is affiliated to the CBSE with three streams mainly Science, Commerce and Humanities. The only motto followed by the school is "Every child is special in its way" and with the motto, we cater to the need of each student according to their potential. Here at GGIS, we strive to make our students future-ready citizens.

INFRASTRUCTURE:

The infrastructure of the school is fully equipped with a massive and aesthetic building structure, well-ventilated and spacious classrooms digitally equipped learning methods, green meadows, activity rooms, swimming pool, basketball court, badminton court, football ground cricket net practice area, labs and library, cafeteria, display boards, the safety of the students being the utmost priority, CCTV Cameras are installed at every room and corner for the safety of students. As a residential school, we have separate hostels for girls and boys namely Himadri, Kanchanjunga and Shivalik. Homely food and environment are provided to the residents so that the students feel like residing in a home away from home. We also have a mess "Annapurna" which prepares mouthwatering dishes, keeping in view the proper hygiene and health of students. We also have security guards placed at a relevant distance to monitor students keeping in mind the safety of students. We also have a dispensary with 10 beds to cater to the health issues of the students with a full-time registered nurse to take care of the medical needs of the students. School is renovating and developing new areas as per the need of the students.

TEACHER'S TRAINING:

We organize teacher training programs from time to time to rejuvenate and update the teachers with the changes in the teaching methodologies and curriculum framework. As the new teaching techniques were introduced, we have organized several sessions to meet the need of dynamic students and address their special and hidden talents. To keep our teachers ahead of time, the principal of the school takes regular training from CBSE and other sources. We invite renowned scholars from various fields to impart knowledge to our teachers at regular intervals. Be it, on social issues or any of the sessions related to current issues. We at Gyan Ganga make sure that our teachers don't miss a single chance to acquire knowledge and upgrade themselves.

ACADEMIC ACHIEVEMENTS:

Gyan Ganga International School is known as Sanskardhani for producing the best results not only in the in-home exam but also inboard, classes of X and XII standard. In the previous session, we had top notchers namely Pragya Singh Gour with 94.6%, Radhika Thakur with 93.4%, Tanish Sahu with 93%, Purvi Nandwana with 92.8%, Smruti Gupta with 91.6%, Chitransh Kumar Kamlesh with 90.4%, Shweta Lodhi with 90%, Aditya Patel with 90%, Jiya Lodhi with 90% from Class X. From Class XII we had Sneha Jain with 95.8%, Akanksha Sahu with 93.4%, Kanishka Kukal 91.5%, Sachin Patel 90% from Science stream, from Commerce we had Dirghayu Tiwari with 93.6%, Adarsh Jain with 93.4%, Parag Nema with 92.6%, Palash Agrawal with 90.6% and Anjali Rai with 90.4% respectively.

ENVIRONMENT EDUCATION:

To keep our students in touch with Mother Nature, we impart our students the knowledge to manage the balance in the ecosystem and how to protect the environment. We organize several activities in our institute to encourage our students for the same. Just to name a few like – Planting a Sapling at home and school, Celebrating Green Day, Best out of Waste, We teach our learners to follow an eco-friendly lifestyle. We motivate them about the environment by organizing various sessions on the environmental theme so that they inculcate the habit of being eco-friendly with nature. The school has a garden on about 5 acres of land, where students learn, understand and apply the various technique of agriculture.

SPORTS ACHIEVEMENT:

Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students. The students of GGIS actively participate in different sports competitions which are held at district, state and national levels. We are the trophy holders in the field of Football, Basketball, Cricket, Swimming Championship, Chess and many more at the Sahodaya level. The achievers are awarded for their outstanding performance cash prizes and mementos in the annual function along with appreciation certificates. It is a moment of pride not only for the students but for the institution itself.

INNOVATION:

For quenching the scientific thirst of our students we have Atal Tinkering Lab in our institution which has all the modern equipment where a learner can explore his scientific temperament. The students of GGIS also showcase their artistic zeal in the science fair which is organized every year in our institute as "Inveniere". Not only the scientific temperament but multiple areas like Music, Painting, Language, Photography, Clay work, Modeling, Puppet Show is covered in the annual fest and the spectators are dumbstruck with the presentations they see which are beyond their imagination. During the pandemic due to COVID GGIS could start its Learning Management System for online classes in April 2020. We celebrated Vande Bharat; Independence Day with more than 12000 students and teachers from 11 countries.

PTA ACTIVITIES:

For strengthening Synergy between parents and teachers, PTA executive committee is formed and is active during an academic session. The main aim of this committee is to keep a cordial relationship between the parents and teachers and for the same we conduct meeting on the campus at regular intervals. The agenda of the meeting is to provide parents with the minute details related to curriculum, assessment criteria, sharing information related to the child's health, behavior, attendance and welfare of the child. The parents are updated at regular interval about the progress of their ward and the areas where they have to be attentive to help their child achieve him/her goal. PTA's role is very important in taking any major decision related to school.

ACADEMIC CALENDAR:

The academic calendar is the mirror of school which reflects the entire important event schedule for the whole session, which includes academic activities, short term and long term goals, Examination Dates, Winter Break, Diwali break, and all the activities to be performed throughout the session in a well-organized way. The calendar provides a fixed schedule for students as well teachers and parents. The academic calendar helps the students to plan their time for studies; it keeps the family informed about the forthcoming events. Sessions curriculum planning is done as per the pedagogical planning done by a team of teachers and the school principal.

IMPORTANT DECISIONS OF SMC:

SMS of GGIS is forward-looking and very effectively works for the school keeping all the stakeholders in the mind. This year's major decisions were to start online classes, giving training to the teachers to conduct online classes, developing the school's Learning Management System to provide flawless online classes. Other decisions include; maintain balance in difficult times and taking care of all the employees, celebrating Independence Day with a large number of students from different countries & organizing virtual Annual Function "Synergy". We believe in one motto "Together We Can Make a Difference".
