NEW SESSION WILL START ONLINE

Dear Parent,

Due to the spread of COVID-19, we are going to start new academic session online. Classes will be starting from April 05, 2021, as per time table shared with you all. School has updated Learning Management System (LMS) Moodle according to the new schedule and classes' timetable is also available on every teacher's dashboard.

Though all the e-books will be available on LMS, you are advised to purchase books from the market so that children are not using screens for a longer time. You are requested to help your children in attending online classes regularly and effectively. Online classes will continue till further orders.

Best wishes
